

## **This House (shall be called)**

/ G / F / F /

          G                          D  
This house shall be called

      C                          G  
A place of restoration

      C                          G                          D  
A place where the broken are made whole

      G                          D  
Healing water flows

      C                          G  
And mercy abounds here

      C                          D                          G (last time Em A)  
My Spirit abides here says the Lord

          G                          D  
Come my children come

      C                          G  
And love one another

      C                          G                          D  
And feast on the banquet I have prepared

      G                          D  
Open wide the gates

      C                          G  
That ev'ry one may enter

      C                          D                          G  
For my invitation's to be shared

Music and lyrics: Jamaican church and Mark von Kampen
